HELP US PRESERVE JHS HISTORY!

JAMESBURG HIGH SCHOOL ROOM RESTORATION INITIATIVE

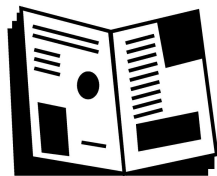

Through the combined efforts of the Jamesburg High School Alumni Association and the Jamesburg Historical Association close to 100 Jamesburg High School related artifacts have been added to the Jamesburg High School Room collection during the past two years. Recent acquisitions from Alumni and e-Bay (some donated by the seller, some purchased by Alumni) have included copies of the *Broadcaster*, the school newspaper of the 1930s-1940s, report cards, play programs, and photographs of school events. All these items are part of JHS history and we and the Jamesburg Historical Association want to preserve as many JHS-related item as we can acquire. That's where you come in.

You can help the collection grow! Do you have any JHS-related items lying around your house? If so, would you be willing to donate them to the Jamesburg Historical Association (the curators of the Jamesburg High School Room)? If so, please contact the Historical Association and let them know what you would like to donate. You may do so by phone (732-521-2040), letter (JHA, 203 Buckelew Ave., Jamesburg, NJ 08831-1642) or e-mail (JamesburgHistory@aol.com).

Since completing the renovation of the Jamesburg High School Room in 2006, the Jamesburg High School Alumni Association has spent additional funds to refurbish, repair and restore the Room's cabinets, display cases and some artifacts. But there is much more to do. Many of the artifacts are fragile and need to be preserved in special containers, while others need to be stored so that they may eventually be displayed. All this costs money, and neither the Alumni Association nor the Historical Association have the funds to do this.

Both Associations need your support in raising funds to properly preserve and restore our beloved school's history. You may contribute to the Preservation/Restoration Fund by completing the form below and returning it to the Alumni Association. You can also assist the Historical Association's efforts to preserve Jamesburg-area history by becoming a member of the Jamesburg Historical Association. The Historical Association has been very supportive of our efforts to preserve our school's proud history. Your membership is a way of saying thanks for their support.
